## October 2012

**European Microwave Week is the largest event dedicated to Microwave, RF, Wireless and Radar.**

The European Microwave Exhibition (29th October – 31st October 2012) is the largest trade show dedicated to Microwaves and RF in Europe, providing:

- 7500 sqm of gross exhibition space
- 5000 key visitors from around the globe
- 1700 - 2000 conference delegates
- In excess of 250 exhibitors

The exhibition will offer its exhibitors an unrivalled opportunity to present products and technological developments, and form relationships with relevant and interested spectators including academics, professionals and industry figureheads. It also offers a forum for discussing trends and exchanging scientific and technical information.
