

May 2012

European Microwave Week is the largest event dedicated to Microwave, RF, Wireless and Radar.

**EUROPEAN
MICROWAVE
WEEK**
RAI Amsterdam
28 October – 2 November 2012
www.eumweek.com

The European Microwave Exhibition (29th October – 31st October 2012) is the largest trade show dedicated to Microwaves and RF in Europe, providing:

- 7500 sqm of gross exhibition space
- 5000 key visitors from around the globe
- 1700 - 2000 conference delegates
- In excess of 250 exhibitors

The exhibition will offer its exhibitors an unrivalled opportunity to present products, technological developments and form relationships with relevant and interested spectators including academics, professionals and industry figureheads. It also offers a forum for discussing trends and exchanging scientific and technical information.

Theme:

IEEE MTT-S IMS 2012

For the 60th anniversary of the MTT-S, the 2012 International Microwave Symposium is crossing borders and breaking down barriers as Montreal, Canada, plays host. This issue of *Microwave Journal* provides a comprehensive guide to this year's event, while offering a unique perspective on how to make the most of the show.

Content includes:

- Cover Feature: History of Nortel and the microwave companies it created
- Messages from the IMS, RFIC and ARFTG Chairs
- Review of upcoming panels/shows
- Graphic novel of IMS preparations
- Getting social online at IMS 2012
- Exhibitor List
- IMS Exhibitor product showcase

The IMS coverage is supported by technical articles, special reports, industry news and products

Articles:

- Global navigation satellite systems and their wide range of applications
- High performance, cost effective high power MMICs for E & W-band applications
- Improving noise in single and multi-loop PLLs
- Non-uniform defected microstrip structure lowpass filter

Bonus Distribution:

**IEEE MTT-S IMS
Montreal, Canada
June 17 – 22**

Microwave Journal China – May/June

Connectivity Solutions is the theme of this issue, which focuses on the latest developments and the news, products and issues specifically impacting the Chinese market

Bonus Distribution China:

**MWIE Shenzhen
Shenzhen, China
May 5-8**

**IEEE MTT-S IMS
Montreal, Canada
