

CALLING ALL NEW ENGLAND ENGINEERING STUDENTS!

Attend EDICON USA EXPO in Boston

Sept. 12-13
Hynes Convention Center
Boston, MA

Are you interested in high-frequency or high-speed electronics?
Come to EDI CON USA and meet with industry experts!
EDI CON USA is the first industry event to bring together high-frequency analog and high-speed digital design engineers for networking, job opportunities, product demonstrations, training, and learning opportunities.

Students who attend EDI CON USA EXPO will be entered into a drawing to win one of two \$500 scholarships!

Get started today:

Register for EDICON USA for FREE using the promo code **EDISStudents17** at www.ediconusa.com. (Local busing is available).

Once you arrive at EDI CON USA:

- 1. Pick-up your scholarship entry card at Attendee Services in Registration**
- 2. Visit 3 sponsors in the EXPO to get your card stamped**
- 3. Return completed entry card to registration to be entered to win!**
