

**ARE YOU  
OUR NEW  
TECHNOLOGY  
INNOVATOR  
OF THE YEAR?**

**FIND OUT HERE**

**Don't miss your chance to enter Junkosha's inaugural Technology Innovator of the Year Award.**

Junkosha is on a mission to find an individual or team working within industry or academic research that deserves recognition for their innovative work in the delivery of Microwave and mmWave technologies or Interventional Medical procedures.

The winning entrant – judged by a distinguished panel and announced in March 2022 – will be awarded a sum of \$25,000 to invest in their worthwhile project.
